

AMENDMENT TO THE ABSTRACT

Please replace the original abstract to the above-captioned application with the new abstract provided below:

A switch useful for, *inter alia*, a touch type keyboard or keypad which may be used for a personal computer or the like in a substantially waterproof form while being relatively inexpensive to manufacture.

As the abstract is less than 150 words, applicant respectfully requests the objection be removed.

CERTIFICATE OF ELECTRONIC TRANSMISSION

I certify that this paper and/or fee was transmitted to the United States Patent and Trademark Office using the EFS-Web filing system on January 29, 2009 by 11:59 CST (Local Time).
